

ANIMAL WELLBEING

A RICH LIQUID NATURAL MINERAL SUPPLEMENT FOR CATTLE, GOATS AND SHEEP TO SUPPORT OVERALL ANIMAL HEALTH

Animal Wellbeing

This liquid product provides balanced nutrition to promote overall livestock health and provides essential minerals and trace elements for sheep and cattle.

Animal Wellbeing is derived from natural resources (minerals, trace elements, phyto-proteins, vitamins and seaweed extracts) and is compounded according to a system of ecological balance with chelation to support easy uptake and promote nutritional health. This product does not contain restricted animal material.

Key Benefits:

- Balanced nutrition to support overall wellbeing
- Improves feed conversion of both dry and green feed
- High amino acid content (the building blocks of protein)
- Flexible application, can be applied in feed/water supply or commercial lick feeders
- Readily absorbed
- Nil withholding period

Storage and Handling: Compatibility and/or performance cannot be guaranteed when combined with other products. Store in a cool, dry area out of direct sunlight. Agitate or shake well before use.

Safety Directions: Product is non hazardous. Keep out of reach of children.

Manufactured by: Converte Pty Ltd, PO Box 8159, Griffith, NSW, 2680
